Subject: Endorsement of REAoL's Collaboration and Partnership Potential

The USAID Libya Enhanced Partnerships for Institutional Capacity (EPIC) project is proud to collaborate with the Renewable Energy Authority of Libya (REAoL) as a strategic partner in advancing Libya's renewable energy sector.

This partnership is a significant step toward a more sustainable and energy-efficient Libya. It underscores our shared commitment to addressing key energy challenges, leveraging international best practices, and implementing innovative solutions to expand the role of renewable energy in the country's energy mix.

The collaboration between EPIC and REAoL is built on mutual objectives aligned with Libya's National Strategy for Renewable Energy and Energy Efficiency. Together, we aim to drive transformative progress, reduce dependency on fossil fuels, and support Libya's transition to a greener future.

We are confident that this partnership will make a meaningful contribution to Libya's energy sector development and look forward to continuing our work together to achieve these important goals.

Sincerely,

Abdelkader Elrahal

Chief of Party

Libya Enhanced Partnerships for Institutional Capacity (EPIC)
